

Callbox designs and implements a solid healthcare lead generation platform to produce warm sales leads for healthcare products and services. We deploy professional telemarketers with extensive experience in appointment setting and lead generation for the healthcare industry to segment profitable markets, generate warm healthcare leads, and set appointments with qualified targets.

We customize and fine tune our lead generation and appointment setting strategies to match your goals, campaign preferences, and concurrent market trends.

Use our expertise to enhance your brand and ensure wide exposure for your healthcare products and services including:

- Medical Alert Equipment
- Measuring and Controlling Devices
- Diagnostic Kits
- Testing Service
- Patient Education Services
- Imaging Solutions
- Facilities Management
- Clean Room Services
- Ambulatory and Home Healthcare Services
- Equipment Maintenance
- Compliance Consulting Services
- Medical Practice Management Software and Services

Our telemarketing solutions are supported by our rich database of your ideal clients and business matchups, guaranteeing highly targeted and cost-efficient marketing campaigns. We market to the healthcare industry targeting managers, directors, and other decision makers in various healthcare institutions such as doctors' offices, health clinics, dental clinics, nursing homes, veterinary clinics, hospitals, and medical centers.

Call or email us today to find out how you can get started on a telemarketing campaign to increase qualified healthcare sales leads for your healthcare products and services.
